

DINO-MITE CLASSIC JACKPOT

Show Information

JULY 16-18, 2020

We are excited to be holding the Dino-Mite Classic this year in Vernal, Utah! We have been working with the Tri-County Health Department, Uintah County and Western Park to make sure we take every necessary step to follow our governors and counties Covid-19 health order.

This includes but is not inclusive to the following:

1. Frequently reminding individuals to keep a 6-foot distance between households.
2. Providing hand sanitizer at the registration tables for your use after money is exchanged.
3. Setting up multiple registration tables to avoid long congested lines.
4. Disinfecting high touched areas.
5. Keeping the class sizes smaller to allow additional space.
6. Having a holding area for participants only to line up before class.

Some things you can do to help us out is:

1. Print off and fill out show entry form at home.
2. Bring the exact change for your entry to reduce payment contact. Remember its **"CASH"** only.
3. Show up early to the designated weigh in and registration time. With social distancing things will take longer and it is hard to weigh and register everyone at the last minute. Also we need to keep a steady line to avoid congestion.
4. **Please do not congregate by the ring entrance/exit during the show. If there is young children that need assistance please have only 1 person there to help that individual. Ask all other members of household to sit in the stands.**
5. Be respectful of other peoples space in the barn, alley ways, and in the arena.
6. Please stay home if you or anyone in your household are showing symptoms of Covid-19 which include: Fever, cough, shortness of breath, fatigue, muscle aches, headache, loss of taste or smell or sore throat.

It is your personal choice to attend this jackpot and we ask that if you or any member of your household is sick that you please stay home. Please keep your household at a 6-foot distance between others, wash your hands, use sanitizer, and be respectful of other peoples space. Masks are optional to wear in or outside of the ring. And most importantly please have patience with us as we are working through new rules and regulations we have never encountered before. Wait times might be a little longer, mistakes will get made but just remember the most important thing of all... there is kids showing their animals this year!

Now lets have a great time!

Covid-19 Mandates:

1. You will be required to provide an **address and a current phone number** in order for us to track attendance.
2. A 6-foot distance must be maintained between each household group at all times while in the indoor arena.
3. Congregating at any point is not allowed. That includes around the arena, by the gates, at the scales and around the registration tables. Please maintain a 6-foot distance between each household group.
4. All participants will be required to verify that they are not showing any symptoms of Covid-19. This will be done through a questionnaire that participants will need to fill out once **during registration**. A participant must fill out before he/she can enter the ring.
5. Masks are optional.
6. Please do not approach or shake the judges hand in the show ring so we can maintain our 6-foot distancing.
7. Please spread out in the show ring to help with the 6ft. Distancing.
